The 1983 Hendricken Varsity Football Team continued the Hawks winning tradition by compiling an unblemished 7-0 regular season record, thereby capturing the Class AA Division Championship. The Hawks appeared in the Super Bowl for the third straight year but lost to a highly charged West Warwick team by a score of 32-14.

Before the season began, the football "experts" didn't give the Hawks a favorable rating. The Hawks, however, had something the "experts" have trouble measuring and that is pride.

The season opened with a 14-0 victory over Cranston West. Rogers was the next team to fall in a thrilling 6-0 Hawk victory. Cranston East couldn't handle the Hawk attack; a 20-8 Hendricken victory ensued. The defense held tight in a 14-7 victory over East Providence. The Hawks then demonstrated their ability to come from behind in a 20-18 triumph over Cumberland. Steve Williams gained over 200 yards for the second time in a 20-7 win over LaSalle. Thanksgiving Day was next and the Hawks celebrated with a 25-7 roasting of Tall Gate.

Head Coach Ed Fracasso and Assistant Coaches Ed Wnuck, Ron Masca and Hollis Chapman all deserve high marks for the tremendous job they did in guiding the 1983 football team to the Class AA title. Captains Bob Hope, Pete Silva, Mike Johnson, Al Venditta and Steve Williams provided the needed leadership and experience to the squad.

All-Division honors were won by Rich Strati, Rich Castore, Bob Hope, Frank Caprio and Steve Williams. The Hawks placed three players on the All-State Team: Bob Hope, Frank Caprio and Steve Williams. The Hawks version of "Superman," Steve Williams was also named All-American; Steve also set the school's single season rushing record by gaining 1500 yards on 150 carries.

With the return of many experienced players, the future of the Hawks looks promising.

This year's Hawk Soccer Team had a highly successful year. Under the direction of Coach Mike Rooney and the leadership of co-captains Paul Pinelle and Jerry O'Connell, the Hawks won their third straight division championship. After two hard fought victories over a surprising Smithfield and an always powerful Barrington, the Hawks advanced to the semifinals of the State Championship Tournament. A hard fought game involving Hendricken and Central Falls had a 2-0 outcome in favor of Central Falls, thereby denying the Hawks' bid for a third straight championship and also snapping a thirty-seven game winning streak.

This year was characterized by true team spirit and team play. The relatively young Hawk team, led by able seniors such as Mike Newquist, Joe Brady, Mike D'Ambrosio, Jerry O'Connell, Paul Clancy and Paul Pinelle, played with great intensity and drive throughout the season. Through a tough defense that included All-Stater Steve Russell and a diligent offense, the Hawks managed to win key victories over LaSalle and Pilgrim during the regular season. The key to the Hawks' success as a young team was the well experienced defense which had the state's "lowest goals against average." It is hard to pick out stars because of the extraordinary group effort that was in evidence. In short, we were a team that rose to the occasion and played hard.

Congratulations on a good season and a group of players who truly exhibited Hawk Pride.

The 1983 Hendricken Cross-Country Team became the New England Cross-Country Champions after a mind boggling defeat in the Rhode Island State Meet. Winning the New England title was a true display of the depth and the ability of the Cross-Country Team.

Besides the New England Title the team also won the Manhattan Invitational, the Coaches Meet, the Kent County Invitational and the league and Class A titles. All of these were further indications of the tremendous strength and stamina that the Hawks displayed throughout the season.

Leading the team to their titles were captains Chris Dunn and Mike Paquin. Seniors Mike Paquin and Brian Sweeney contributed greatly to the success of the team; without doubt, they were the key runners in the New Englands. The most amazing runner on the team was sophomore Kevin Brewster. Brewster finished third in the State Meet which made him an All-Stater along with Jim Calcione who finished fourteenth. Other runners who contributed greatly to the team's achievements were juniors Jeff Hunt and Bob Hayes and senior Steve Segatore.

Congratulations to Coach Allaniello and the outstanding squad of Hawks whose efforts were so often rewarded with success.

The 1983-84 Hawk basketball team, the defending state champs, was the team to beat in the Interscholastic League. While each opponent attempted to upset this explosive squad, the Hawks rolled through the regular season schedule with only one defeat. Compiling an incredible league record of 17-1, the Hawks were crowned champions of the Metropolitan A Division.

Through the course of the season, the team, which included several inexperienced underclassmen, matured perceptibly, much to the credit of head coach Ray Pepin and his able assistants, Coaches Hickey and Clune. In addition, the leadership of the seniors, particularly co-captains Sean Henseler and Frank Caprio, was a great asset to the entire team.

Although many of the league contests were thrilling, the most exciting games were played versus out of state teams. In these contests, seniors Sean Henseler and Steve Williams sparkled, while juniors Steve Izzo

Jack Madden and Terry Fracassa made great contributions.

Pressure situations evoked herculean efforts from the members of this team. Seniors Ed Wirth, Rich Maguire and Tom Fanning often provided that extra which was required to win. Great bench strength was undoubtedly the single most important characteristic of the '83-'84 team. Players such as Jim Almonte, Frank Caprio, Joe Ducharme and Mike Maloney often proved just how strong the Hawk bench was.

Post season honors were earned by Steve Williams (All-State and All-Division) and Sean Henseler and Ed Wirth (both All-Division). Although the Hawks made it to the final game at the Civic Center, another state championship was not in the offing. Nonetheless, the team will undoubtedly be remembered as a winner.

The 1983-84 team was very successful in the state level. The team placed sixth in the state tournament, a record for the team. The team was led by Coach Tony Greco and assistant Coach Mike Moretti. The team was also led by London, 411 lbs., 119 lbs., Swanson, 311 lbs., 119 lbs., and 119 lbs. K. J. McNeil and Dierman.

With the success of the younger members of the team, we are confident that the Hawks will undoubtedly make a successful season in the wrestling meet. Hendrickson 1985

This year's hockey team accomplished what no other Hendricken team or any other hockey team in the state had been able to do in five years — It unseated Mount St. Charles as Met A Division champs while amassing an overall record of 31-8-1. Although the season ended with a heartbreaking loss to Cronston East in the semi-finals the Hawks had one of their finest seasons ever. During the course of the year, they had victories over the top-ranked Connecticut teams and other high-caliber clubs, including those of the Boston Catholic League, and those of their own Met A Division.

Cooch's First-Team All State honors were gained by senior captains Sean McNamara and Gary Lorden while sophomore Bob Wallwork earned Second-Team honors. All-League selections also included senior Ed Walsh, Junior Jim Creamer and freshman David Emma.

The Hawks 1983-84 season was certainly a success and the 84-85 season promises more of the same.

Although not the favorite of "those in the know," the Hawk Indoor Track Team emerged victorious in the States, thereby winning its third consecutive State Championship. It rounded out the Hawk record to four out of the last five State Championships.

Hendricken's own Chris Dunn posted the biggest upset of the evening with a first place finish in the 1,000 meter run, thereby setting a State Meet record time of 1:36.3. Still, after the weight events, the Hawks were losing by twenty points, until they made their move in the 3,000 meter run with sophomore Kevin Brewster winning that event handily. Both Brewster and Dunn were selected for All-State First Team honors.

The Hawks finally won the State Meet by eight points. In addition to the previously mentioned team members outstanding performances were posted by seniors, Mike Poquin and Brian Sweenor in the 1,500 meter run, and by Leo Sheridan and Mark Quillen in the 45 meter hurdles. Mike O'Loughlin and Joe Edgerton gained points in the weight events and freshman John Frenze performed exceptionally well in the 300.

Through hard work and spirited enthusiasm, the Hawks once again achieved their well deserved title of champions.

At first glance, it seems that the 1983-84 season was not the most successful that the Hendricken swim team has had. Coach Hanson's three time defending State and New England champs finished a disappointing third in their division with a record of 7-4-1. The team finished fifth in the Brown Interscholastics and third in both the Max Read Invitational and State Championship swim meets.

Considering that this year's Hawks had fewer "stars" than in years past, the '83-'84 season was probably one of the team's best. The team was led, as always, by the seniors. Tri-captains Nick Chobanian, John Kontor, and John Nelson were consistent scorers and came through in the championship meets. One of the biggest factors in the successes of the year was All-State senior swimmer Paul Mongill. Paul swam exceptionally well all season and was chosen outstanding swimmer at the State Championship Meet.

As in the past, the Hawks' depth was what kept the team afloat. Dave Hardy, Ken Dion, Larry Balkus, Dave Donnelly, John Horn, and Mike Dichiaro provided the needed points down the stretch.

Juniors Wayne Bowden, Al Holt, and Dan Rodil all had outstanding seasons and figure to be the keys to future success. There is no doubt that team strength and stamina will return the state crown to Bishop Hendricken.

The 1984 Hendricken Baseball Team sandwiched wins over Tollgate and Cranston East with an opening loss to Warwick and a sloppy loss to Pilgrim. Now, with the early season jitters gone, the Hawks would make their annual bid for the title.

Tony Noviello and Jim Duchesneau, the aces of the pitching staff, set the club in motion as they combined to turn back East-Providence, 4-1. The starting nine rapped eleven hits and fielded flawlessly in this solid performance. Cranston West was the next victim. Seniors Joe Moretti, Joe Ducharme and John Cunningham each pounded three of the sixteen Hendricken hits as the Hawks rolled 12-1.

The deepest pitching staff in the league, one which included seniors Tom Bartolomeo, Jim Duchesneau, Mike Viner and sophomore John Castore, began to prove its value in the second half of the season.

Frank Caprio continued to "beat up on" central division pitching as he ripped three hits, including a three-run homer in an 8-3 win over Warwick. The following Tuesday, Coach Pepin showed his promising underclassmen in an 8-6 victory over Tollgate. After jumping to an early 8-0 lead, Coach Pepin rested the seniors and watched juniors Rick Castore, Jeff Piccoli, Ray Pepin, Matt Berard and Kirk Mayer hold on to the victory in the final five innings.

The next four games belonged to the pitchers. A total of six runs were given up by the staff as they shut down the hitters of Pilgrim, Cranston East and East Providence for the final three victories of the season. The final home game displayed one of the best pitching performances all season. Jim Duchesneau allowed only two hits and one unearned run, although the Cranston West Falcons were due to stun the Hawks 1-0.

The Hawks bounced back, however, and squeezed by Tollman and Bristol in their first two games of the playoffs. St. Ray's was the next opponent. After splitting a pair of non-league games earlier in the season, most anticipated a close, low scoring game. This was not to be as the Hawks defeated the Saints 16-2 and moved to the final round of the playoffs. Playing in front of a large crowd at McCoy Stadium, the Hawks were eliminated in successive games by Woonsocket and LaSalle.

Although the Green and Gold lost ten seniors, including all-leaguers Frank Caprio, John Cunningham, Joe Ducharme, Jim Duchesneau, Sean McNamara, Tony Noviello and Ed Walsh, the nucleus of returning starters will again make the Hawks strong contenders.

The 1984 Hawk Outdoor Track Team was one more indication of the extraordinary depth of talent among Hendricken students and coaches. The Hawks once again captured the State Title as well as the Hendricken Invitational and Class A Meets.

Paced by consistently strong performances from runners Chris Dunn, Steve Williams, Leo Sheridan and Kevin Brewster as well as many others among the long lists of talented Hawks, the team easily demonstrated that depth was the key to victory. The effort however, was a team effort and the strength of the Field Team cannot be overlooked. Among those who turned in exceptional performances in field events are Adam Coe, Kevin Stone, Joe Edgerton, Larry Balkus, Steve Jedson, Ar-

thur Brown, Leo Sheridan, Bill D'Andrea, Glenn Jeffrey, Chris Lawrence, Tor Petersen, Pat Parry and Mike O'Loughlin.

The Class A Meet saw the Green and Gold set a record with a score of 262 points, thereby outdistancing the nearest competitor twice over. The State Meet witnessed more of the same. The Hawks roared to victory by a margin of 110 points over the rest of the field.

This year's Outdoor Track Team will undoubtedly be recognized as one of the best ever in Hendricken's illustrious athletic history. A strong indicant of Hendricken's future strength is evident in the performances of the underclassmen, the Hawk Track mystique will continue.

The 1984 Hendricken Tennis Team had a successful year despite losing five of its top seven players from the 1983 team. Under the coaching of Steve Crawford and senior captain Mike Solomon, the team rebuilt itself through hard work and the desire to win. At the number one and two positions, Mike Rongione and Mike Solomon had a fine year taking more than their share of victories home. Occupying the three and four spots were Dave Capobianco and Bill O'Rourke who were named to the All-State positions by going undefeated all season.

Once again this year, Cranston East was just too tough for Hendricken. The Hawks had two chances to knock off the all powerful Bolt team, but fell short to a couple of 4-3 decisions. To show how close these two teams match up, the Hawks' losses came down to a single last set. Then they went on to the semi-finals, tasting a possible state championship, but their hopes were dashed when the Hawks ran into a rally from behind. Barrington took the match 4-3.

The Hawks are optimistic for the 1985 season due to sudden rule change made by the coaches of the various high school tennis teams. A league match will consist of nine points instead of seven. With the unending depth of talent the Hendricken Tennis Team possesses, we are the team to bear in '85.

When the 1984 golf season opened, the defending state champion Hendricken golf team looked as strong as ever. With its four starters all returning from the 1983 team, the Hawk Squad was recognized as one of the premier teams in the state.

All year long starters Pete Ward, John Plaziak, Tony Salvatore, and Scott Kornasky totally dominated their opponents in league match play. For the third consecutive year (since Coach Joe Cichon took over the team in 1982), the Hawks finished the season undefeated in interscholastic league play. Again for the third straight year the Hendricken golf team, compiling a 10-0 record, captured the Central Division crown. The only blemish of the otherwise perfect season came during the state championship when the Hawks did not play as well as they had been playing, resulting in a very disappointing defeat.

With the top three players on the Hawk squad seniors, Pete Ward, John Plaziak, and Tony Salvatore, the team looks to rebuild next year with younger players gaining vital experience. The team will undoubtedly be a strong contender once again for the Central Division title.

SAILING TEAM

This is the second year of school competition for the Hendricken Sailing Team; the team is under the direction of Mr. Donald Armstrong. Last year the team clinched the State Title with ease and this year saw the fledgling team capture the New England Sailing Association's Championship Regatta at the Massachusetts Maritime Academy on Cape Cod.

Kevin Beaulieu and Steve Regine led the Hawk sailors with four first place and two second place finishes. Pete Alarie, John Coghlin and Mike Tammara also placed highly, thereby giving the team a great victory. Due to the success and popularity of this recent Hawk undertaking, the team should be invited to compete for the National Title at Annapolis next year.

Once again, the Hawk Band has left its mark of excellence at every place it performed this year. As a member of the New England Scholastic Board Association, this year's band brought home several trophies won in competition against other bands from throughout the New England area. Some of these trophies include best drum major, best colorguard and best music score.

During halftime at football games, one could find the Hawk Band holding the attention of the fans with intricate routines that were perfected with many hours of dedicated practice. Other school functions at which the band performed were basketball games, pep rallies, and the school's carnival.

The 1983-84 Hendricken Band was also very active within the community, marching in a number of local parades as well as in the St. Patrick's Day Parade in New York City. The band was also asked to participate in the making of two television commercials, one for Old Stone Bank and the other for Card's Furniture.

When marching season ends in November, the Hawk Band moves indoors and begins working on concert music. This year's Concert Band not only put on extremely entertaining Christmas and Spring Concerts, but also made outstanding contributions in Concert Band Festivals.

Each year, the Hawk Band continues to improve and this year certainly rates as one of its best ever. Looking ahead, next year promises to be another outstanding year for this dedicated organization.

THE HAWKS BROUGHT

Twenty talented musicians under the direction of Mr. Russell made up the '84 Jazz Ensemble, a group which made history. The year began with the Fall Jazz Concert, followed by the Christmas Concert, the Christmas Dinner Dance, performances at local elementary schools and various school functions. The Jazz Ensemble also performed at the Berklee School of Music Jazz Festival at which four musicians were awarded scholarships for their outstanding performances. Its concert finale was the Spring Concert which brought rave reviews.

Undoubtedly, the most memorable event of the year was the trip to the New Orleans American Heritage Festival where the ensemble won the highly coveted Gold Award, placing it in the top one-percent nationwide. While in New Orleans, the Jazz group had the opportunity to tour the beautiful city, its unique French Quarter, Bourbon Street and the 1984 World's Fair. Another extra was a cruise on the Mississippi and dinner aboard the President.

The trip and the performances of this group all seemed to hint at the fact that this was a special group — very talented, extremely close and very strong in its praise of its conductor. The picture to the left was taken in front of a "lazy" cafe which was enlivened by the Jazz Band in a memorable impromptu performance.

PARENTS COUNCIL

The twin goals of the Parents Council are fund raising and parent involvement. Over the years, the Parents Council has been spectacularly successful, and this year was no exception, thanks to the tireless efforts of all of our parents, led this year by President William Poquin

The school year started out with a bang — a Carnival, fun for all ages. In swift succession, then came the Century Club featuring a \$10,000 jackpot, and the Thanksgiving Turkey Raffle. After Christmas, and a dazzling Christmas Dinner Dance, it was on to a packed house at the Palladium for the annual Fashion Show, and then the highlight of the year, April in Paris with Epoch 1984. The year-end saw the Green and Gold banquet and Parents appreciation night. Through it all, of course, the Bingo packed the gym every Wednesday night

With the proceeds of all of these activities, the Parents Council paid all of the expenses for all of the athletic teams, the bands, and all of the other extracurricular activities. Besides raising money, members of the Parents Council collected tickets at athletic events, shepherded the bands around the country, cooked countless hot-dogs, and manned the telephone committees that form the famous Hendricken hotline

The activities of the Parents Council are an integral part of the Hendricken success story. The interaction of the parents, the faculty and the students helps to create the unique Hendricken spirit. The involvement of our parents in our school activities has helped to keep us close throughout our high school years. We thank them with a gratitude that has no bounds

The presence of the Student Council was felt throughout every aspect of student life in the Hendricken community. This year the council proved to be the network for the coordination of the varied activities on both the senior and main campuses. Its activities ranged from the canned food drive to mixers, to a very successful blood drive.

Under the direction of the president of the Student Council, Steve Regine, this body not only continued to maintain the traditions of Hendricken but 'reached out' and made its presence felt in the community. One fine example of this was that Hendricken students visited nursing homes and helped the elderly through 'Project Sunrise'.

Each and every Hendricken student aided in making the activities of the council a success. Records were broken in the fund raising of the Easter Follies and the Kokua Drive. The 'Hunger Walk' and Homecoming were also huge successes.

None of the activities would have been meaningful however were it not for the Hendricken students themselves. Their cooperation with the Student Council and the guidance of its moderator, Brother Fitzsimmons was a combination which was next to impossible to beat.

The yearbook was produced through the efforts of many whom we gratefully acknowledge. There are more worthy of acknowledgment than we can list. The consistent and hard working yearbook staff is a credit among the yearbook staff members with the Editors-in-Chief, Frank Fondetti and George Lucas, with the outstanding leadership they offered. George and Frank put in countless hours before anyone else and very often voluntarily spent their weekends in order to meet the production deadline. This is certainly a tribute to their efficient work. A special individual who must be acknowledged is the Photography Editor, Bob Barbato. When he was asked to undertake an assignment was to be a problem. He said, "No problem." He is the most outstanding individual in the yearbook system. **Successful Year for
Student Council**

To attempt to chronicle the events which take place in an organization such as the Hawks is a task of no small proportions. It is a task which involves a great deal of time and effort. Yet that is exactly what the 1984 Hawk staff undertook. The organization which the job entailed was a complex one. It was a task which the staff undertook with enthusiasm and dedication. The staff's Co-Editors-in-Chief, Frank Marino and John Tiro, both deserve high marks for the leadership which they exhibited in the performance of their duties. Another 1984 graduate, Mike Maloney, also deserves recognition in view of his efforts to cover the many different athletic events in which the Hawks compete. Finally, but by no means least, Mr. Crawford, the faculty advisor of the newspaper should be applauded for his role in the production of the year's newspapers.

It is comparatively simple to praise the leadership of any group. Yet it would be an oversight and unjustifiable not to recognize the others whose efforts have made the newspaper what it is. Undoubtedly, much recognition is deserved by the photography editor, Bob Barford and his assistant, John Grosso. Needless to say, there were many others whose diligent efforts enabled the staff to meet deadlines, collect the many articles and do the work which newspaper production requires. Finally, a word should be said about Assistant Editor, John Fitzpatrick who will be Editor-in-Chief next year. John's rare talents of organization presage another great year for the Tolon.

ANYTHING GOES

Anything Goes, the 1984 Prout-Hendricken production, set sail on a cruise of comedy and romance and was ultimately rewarded by a standing ovation. The love-stricken Billy Crocker, played by Andy Loiselle, chases the girl of his dreams, Hope Harcourt, played by Ellen Mahony, throughout an entire cruise and finally manages to marry her with the help of the gangster Moonface Martin, played by Pere Silva, and former night club singer Reno Sweeney, played by Anne Marie Padien.

Behind the scenes, director John Szalkowski, a veteran actor of ten years, and Louise Wordell, producer, kept the ship afloat by keeping cast and crew on their toes. Another major contributing factor to the success of the show was the direction given by Sister Rose Alfieri to the many crews involved in the production. Sister Rose has worked in the last fourteen Prout-Hendricken dramatic efforts. Nor to be overlooked in the success of the show are Ted Collins, music director, Mark Colozzi, director of vocalists, and Perry Riracco, costume director.

Once again, a graduating class of Bishop Hendricken has made academic history. The class of 1984 received acceptance into over one-hundred and forty colleges and universities across the country. Included among these acceptances were those from local colleges and universities, the Ivy League Schools and the United States Military Academics. Over one-hundred and forty of the graduates received scholarship awards.

Three of the twenty Rhode Island students who received National Merit Scholarships were Hendrickenmen. Five members of the class of '84 were named National Merit Finalists and twelve received National Merit Letters of Commendation. One member of the class was among the one-thousand nationwide who were named Presidential Scholar Finalists.

Due to academic accomplishment, demonstrated leadership ability and a desire to become an officer in the United States Armed Forces, seven graduating seniors were awarded ROTC Scholarships. Nine others were named alternates in this prestigious competition, virtually assuring them of a scholarship.

Other scholarships which were awarded to members of the class of 1984 include three Boston University Trustee Scholarships, ten Elks Club Scholarships (the largest group ever so honored by the Elks) and one of the five Masons Scholarships awarded in Rhode Island.

It is also notable that the 1984 Hendricken graduates were awarded scholarships to Case Western Reserve University, University of Rhode Island, Bradley University, University of Tampa, Worcester Polytechnic Institute, University of Pennsylvania, Brown University, Berklee College of Music, Northeastern University, University of Michigan, University of Miami, College of the Holy Cross, Johns Hopkins University, Bryant College, Yale University, Iona College, Providence College, Daniel Webster College, Hawthorne College, Cornell University, Clark University, University of Rochester, Harvard University, Manhattan College, Syracuse University, West Virginia University, LaSalle College, Carleton University, Kent State University, Georgia Technical Institute, Washington University and Pace University.

While it has been impossible to mention all of the individual awards won by this graduating class, it is evident that the class of '84 is one more link in the chain of academic excellence which began just under twenty-five years ago. The principal, Brother Walderman, and the other staff members share in the pride which surrounds the academic accomplishments of the most recent Hendricken graduates.
